Week Commencing ~ 4 October 2010 ~ Issue #1075

SINGLES. After becoming the third No.1 debuting single of 2010 last week, **Rihanna's *Only Girl (In The World)*** holds on to the top spot to extend **Rihanna's** record of spending multiple weeks at No.1 to all five of her chart topping singles in this Country (six if you count her guest appearance on **Eminem's *Love The Way You Lie***). After reaching the top 3 back in May, as guest artist on **Notthin' On You** by **B.o.B., Bruno Mars** makes the grade in his own right as **Just The Way You Are** moves from No.5 to within the shadow of No.2, which for a second week is the former chart topper **Dynamite** by **Taio Cruz**. New to the top 10 this week are **Short Stack** who are starting to make a habit of big debuts as their latest, **Planets** enters at No.4 (see below) and the aforementioned **B.o.B.** who this time enlists the assistance of **Rivers Cuomo** on the song **Magic** which leaps to No.5 after a couple of weeks in the No.11 position.

No.4 PLANETS – Short Stack. After a successful ARIA No.1 album, **Stack is the New Black** and their single **Sway, Sway Baby!** charted at No. 2, pop punk band **Short Stack** releases their new single, **Planets**. The band is known for utilising Myspace, Facebook and extensive touring to connect with their fans. Their single debut comes as a result of in-store promotions and therefore a large number of physical album sales of their new EP, **Planets**. This is their pre-release EP before their sophomore album, **This is Bat Country**, to be released 19 November.

No.12 BARBARA STREISAND – Duck Sauce. **Duck Sauce** is a disco house production duo, consisting of **DJ Armand Van Helden**; the mastermind behind **Dizzee Rascal's, Bonkers** and **DJ A-Trak**. **A-Trak** is also known for his DJ and production work with **Kanye West, Lupe Fiasco, MSTRKRFT** and most recently **Kid Cudi's** single, **Day 'N' Night**. According to their independent label **Fool's Gold** also partly run by **A-Trak**, the duo aim to produce disco house tracks that will appeal to club DJs. The video for **Barbara Streisand** features many prominent artists including **Kanye West, Pharell Williams, Ryan Leslie, Santigold, Chromeo** and many more.

No.53 TOXIC – Glee Cast. Three new **Glee** titles hit the chart this week, two of which are **Britney Spears** covers (last week's show included a cameo appearance and covered many of her hits). This song was originally a No.1 hit for **Britney** for a couple of weeks, back in March 2004. This week sees three of last week's **Glee** debuts climb within or into the top 40 - the first time this year that there have been so many (although it did happen three times last year).

No.56 STAY THE NIGHT – James Blunt. Following the success of the last two albums by the British singer/songwriter, with hits such as **Goodbye My Lover, You're Beautiful** and **197**. The latest single **Stay The Night** is **James Blunt's** lead single from his third studio album, **Some Kind of Trouble**. The single is a collaborative project, written by **James Blunt, Steve Robson** and **OneRepublic's Ryan Tedder**. **James Blunt** comes from an extensive musical education and an armed forces background. Since his service under NATO in Kosovo, **Blunt** continues to hold meet-and-greet auctions for MSF (or "Doctors Without Borders") at his concerts.

No.60 THE ONLY EXCEPTION – Glee Cast. Last week's **Glee** episode was all about **Britney Spears** - almost. The song that closed out the show was this cover of a track off **Paramore's** 2009 album **Brand New Eyes** (No.1 Oct. '09) by cast member **Lea Michele**. The **Paramore** version of the song bullets this week back into the top 40 at .No.40, after peaking at No.17 in July this year. There are seven **Glee** singles in this week's top 100 - one short of the record number for the show which was set in the week of 31 May this year.

No.66 THE BIKE SONG - Mark Ronson & The Business Intl. Feat. Kyle Falconer & Spank Rock. With **Record Collection** making its debut in the ARIA albums chart at No.6 this week, it seems only appropriate that **Mark Ronson** should grab a spot on the singles chart as well. **The Bike Song** is the second single from the album and follows on from **Bang Bang Bang** (No.16 July '10). It features contributions from **Kyle Falconer**, lead singer of Scottish indie group, **The View** and US rapper, **Spank Rock**. The track was recently used by Transport For London to promote cycling in that city.

No.69 FOR YOUR ENTERTAINMENT – Adam Lambert. He has scored two No.4 with **Whitaya Want From Me** (No.4 Apr. '10) and **If I Had You** (No.4 July '10) and now **Adam Lambert** grabs a third chart spot for the year with **For Your Entertainment**. The new single is also the title of **Lambert's** debut album (No.14 Aug. '10). Upon becoming runner-up on **American Idol**, this was **Lambert's** first single in the US. Earlier this year, it hit No.1 in Japan.

No.82 LITTLE BIRD – Kasey Chambers. After debuting in the ARIA albums chart last week with **Little Bird** (No.3 Sep. '10), **Kasey Chambers** has entered the ARIA singles chart this week with the album's title track. It's her first single to hit the charts since **Rattlin' Bones** (No.55 Dec. '08). **Chambers** is currently touring nationally until the end of November.

No.83 HANDS – The Ting Tings. Manchester duo, **The Ting Tings** return with **Hands**, the first single from their forthcoming album, **Kunst**. The track was written in Paris and recorded in Berlin. The band has been recording the album in an old German jazz club. The track was mixed by **Calvin Harris**. **The Ting Tings** scored three charting singles from their debut album, **Great DJ** (No.52 June '08), **That's Not My Name** (No.8 Oct. '08) and **Shut Up And Let Me Go** (No.44 Jan. '09). **Kunst** is expected in November.

No.93 ME AGAINST THE MUSIC – Glee Cast. Another former **Britney Spears** chart topper was given the **Glee** treatment last week, this one being **Britney's** collaboration with **Madonna**, which debuted at the top of the ARIA Singles chart in November 2003. This brings the number of **Glee** songs to have charted this year to thirty and the total number since the show started a little over a year ago (July 2009) to 48. Remarkable!

No.100 A YEAR WITHOUT RAIN – Selena Gomez & The Scene. After making her debut on the singles chart with **Naturally** (No.46 Feb. '10) and following it up with **Round & Round** (No.80 Aug. '10), **Selena Gomez & The Scene** grab their third chart spot for the year with **A Year Without Rain**. The single's entry onto the chart comes in the same week in which its corresponding album of the same name has entered the ARIA albums chart (at No.46).

ALBUMS. The top five remains unchanged this week. **Birds Of Tokyo** have moved back up from No.10 to No.7 with their self-titled effort. After picking up two ARIA artisan awards last week (for best cover art and best producer), **Angus and Julia Stone's *Down The Way*** has re-entered the top ten at No.10. In its second week on the chart, **Metallica's *Six Feet Under Under*** has moved up five spots to No.12. The week's biggest re-entry comes from **Vanessa Amorosi's *Hazardous*** racing back into the chart at No.53.

No.6 RECORD COLLECTION – Mark Ronson & The Business Intl. The third album from British producer, **Mark Ronson** is his first to hit the ARIA charts. **Record Collection** is the follow-up from his breakthrough album **Version**. Like its predecessor, **Record Collection** is a collaborative effort that features plenty of guest spots from a wide variety of artists. Performers include **Boy George, Wiley, Ghostface Killah, Q-Tip** and **Duran Duran's Simon Le Bon** and **Nick Rhodes**. The album contains the current singles **Bang Bang Bang** (No.16 July '10) and newly-charting **The Bike Song** (No.66 Oct. '10).

No.20 TELEPHANTASM - Soundgarden. The 13-year career of Seattle rockers **Soundgarden**, is chronicled in this new career retrospective. **Telephantasm** has been released in several different forms. There is a single disc version, as well as a two-disc set, and a DVD featuring music videos. Tracks include **Spoonman** (No.23 Feb. '94), **Black Hole Sun** (No.6 Aug. '94) and **Outshined** (No.76 June '92). It also features the previously unreleased **Black Rain** (No.90 Aug. '10), an outtake from the sessions of their third album, **Badmotorfinger** (No.78 Feb. '94). **Soundgarden** have reformed this year after initially splitting in 1997.

No.21 CLAPTON – Eric Clapton. Guitar legend, **Eric Clapton** returns with his first album in five years. Clapton includes a wide range of material by the likes of **Irving Berlin, JJ Cale** (who also plays guitar throughout), **Hoagy Carmichael** and **Nikka Costa**. It is **Clapton's** first solo studio album since **Back Home** (No.83 Sept. '05). Guests on the album include **Sheryl Crow**, influential R&B composer, **Allen Toussaint** and Clapton's former **Blind Faith** bandmate, **Steve Winwood**.

No.32 PRELOVED – Beccy Cole. The new album from Australian country songstress, **Beccy Cole** is her first studio release since - **Feel This Free** (No.66 Apr. '05) and her first release since the live album - **Live @ Lizottes** (No.63 Jan. '08). **Preloved** is a collection of covers songs that are dear to **Cole**. Included is **Neil Young's *Only Love Can Break Your Heart***, **Deborah Conway's *It's Only The Beginning*** and the **Leiber** and **Stoller** track (**You're So Square**) **Baby I Don't Care**. **Cole** is touring through October and November. Many of the dates are with **Adam Harvey**.

No.34 THE SOUND OF SUNSHINE – Michael Franti & Spearhead. **The Sound Of Sunshine** is the seventh studio album from **Michael Franti & Spearhead**. It was produced by renowned reggae producers **Sly** and **Robbie**. They have also previously produced the **Spearhead** albums **All Rebel Rockers** (No.18 Aug. '08) and **Everyone Deserves Music** (No.9 June '03). Upon release in the US, the album gave the group their highest debut place on the Billboard 200, debuting at No.17.

No.42 WAKE UP! – John Legend & The Roots. American singer-songwriter **John Legend** teams up with hip hop band, **The Roots** for **Wake Up!** The collaborative album is made up of mostly covers of soul music from the 1960s and 1970s and was inspired by the 2008 US presidential election. Artists covered include **Marvin Gaye, Nina Simone, Bill Withers** and **Curtis Mayfield**. There are also two originals from **Legend** and **The Roots**. **Legend's** last release was **Evolver** (No.66 Nov. '08), while **The Roots** last appeared in the chart with **How I Got Over** (No.73 July '10).

No.46 A YEAR WITHOUT RAIN – Selena Gomez & The Scene. **A Year Without Rain** is the second album by **Selena Gomez & The Scene** and the first to enter the ARIA albums chart. The album comes just a year after the band's debut, **Kiss & Tell**. It includes the track, **Rock God**, a previously unreleased track co-written by **Katy Perry**. **Perry** gave the track to **Gomez** after she didn't include it on her own album. It also includes the singles **Round & Round** (No.80 Aug. '10), as well as the title track, which is new to the singles chart at No.100 this week.

No.47 6: COMMITMENT – Seal. This is the seventh album from British singer-songwriter **Seal**. It follows on from his covers album **Soul** (No.16 June '09). The six in the title refers to the fact that this is **Seal's** sixth album of original material. He has previously charted with **Seal** (No.22 June '91), **Seal II** (No.2 June '94) and **Seal IV** (No.65 Oct. '03)

No.56 IMPERFECT HARMONIES – Serj Tankian. **System Of A Down** frontman, **Serj Tankian** releases his second solo album in the form of **Imperfect Harmonies**. The album is the follow-up to his debut, **Elect The Dead** (No.19 Nov. '07). The album's blending of genres was inspired by **Tankian's** work with the **Auckland Philharmonic Orchestra** in 2009, when they worked together on the **Elect The Dead Symphony**. The album's release had to be put back by several weeks in order for the booklets to be produced with tree-free paper.

No.68 BODY TALK PT. 2 - Robyn. Three months on from **Body Talk Pt.1** (No.64 June '10), **Robyn** has released the second part of her **Body Talk** trilogy. Like its predecessor, **Body Talk Pt. 2** also contains eight tracks. The track **U Should Know Better** features an appearance from **Snoop Dogg**. **Pt. 2** like **Pt. 1** topped the charts in Sweden. **Body Talk Pt. 3** is expected before the end of the year.

No.73 THE DISSENT OF MAN – Bad Religion. More than thirty years after their formation, Californian punks **Bad Religion** continue their impressive career with their fifteenth album. Work on **The Dissent Of Man** began in 2008 but recording only took place in May and June of this year. In between band commitments, frontman **Greg Graffin** teaches life science and paleontology at UCLA.

No.78 I AM THE WEST – Ice Cube. West coast gangsta rap hero, **Ice Cube** returns with his ninth album, **I Am The West**. The album is his first since **Raw Footage** (No.58 Sep. '08). It sees him taking on subjects like technology and the divide between rich and poor. **Ice Cube** will be touring Australia in October.

No.83 LE NOISE – Neil Young. At the age of 64, there seems to be no stopping the incomparable **Neil Young**. **Le Noise** is his thirty-second studio album. It's the follow-up to last year's **Fork In The Road** (No.37 May '09) and is the first time **Young** has worked with producer **Daniel Lanois** (**Bob Dylan, U2**). **Young** plays nearly everything on the album. Both men have utilized their fondness for sonic exploration on much of the album.

#1 Single this week
